

# There's a new Yogurt in Town!

The "Farm to Table"  
approach for fresh dairy  
products isn't easy,  
but it sure is worth it.

AtlantaFresh works very hard to bring you the absolute freshest products possible. We receive fresh milk deliveries daily from Johnston Family Farm with milk that is less than a day out of the cows. Our products have both a "Best If Used By" date and a "Made On" date. Our Greek Yogurt products keep their quality very well for a full month from date of production.

Try all 6 Greek Yogurts: **Ginger Peach**, **Honey**, **Caramel Vanilla**, **Mixed Berry**, **Tropical Sweet Heat**, and **Black Cherry Port Wine**.
