The Veggie Patch at Bouchard Farms, Commerce, GA

Local Organic Produce Farm

info@veggiepatchga.com | www.veggiepatchga.com

The Veggie Patch grows a large variety of organic vegetables practicing sustainable organic farming in order to provide locally grown produce for a healthy lifestyle. On our 540 acre farm we harvest from about 30 acres as well as from our green houses.

Throughout the year the Veggie Patch grows a wide variety of vegetables including; kale, lettuces, tomatoes, watermelon, okra, eggplant, peppers, collards, beets, squashes, carrots, celery, Asian lettuces and cabbage, spinach, corn.....and the list goes on.

You can find our veggies sold at Athens Locally Grown, Athens Farmers Market, Spout Springs Farmers Market, Emory Farmers Market, Athens and Atlanta restaurants, you can come to the farm and visit our own farm stand, or join our CSA and receive a share of our farm every week.
